WHY USE US FOR TRAINING?

One-of-a-Kind Faculty

Our instructors are practicing attorneys, former judges, and HR, EEO, and LR professionals who can deliver real-world instruction grounded in both the latest case law as well as knowledge of the current climates of the EEOC, MSPB, FLRA and other federal agencies.

Interactive Sessions

Our expert instructors deliver engaging in-person and virtual interactive sessions using multi-media, real-life case examples, factual storyboards and live Q&A, which are all proven components of an effective and lasting training experience.

Powerhouse Provider

Offering you hundreds of years of combined expertise serving individuals and groups in the federal HR & EEO workspace with print and online publications, tools, resources and training including cyberFeds, Manager Advantage, Webinars and FRD Training.
